

The Finest Craftsmanship From Experienced Professionals.

ROYAL CONSTRUCTION
GROUP

Royal Construction Group is headquartered in Boynton Beach, Florida and maintains five offices throughout the state — including a 10,000-square-foot millwork facility. Our executive management has over 40 years of production-style construction management experience and our back-office and field-operation integration is powered by SAP.

RCG OFFERS A DIVERSE COLLECTION OF EXPERT SERVICES:

TRIM CARPENTRY

We provide the finest interior trim carpentry services available. Our carpenters are RCG employees. We are the company of choice for the most respected contractors in Florida.

EXTERIOR MILLWORK & HEAVY TIMBERS

RCG is a turnkey heavy timber and exterior millwork operation. We pre-fabricate your order to your specifications, or select from our pre-engineered product catalog.

PAVERS, FLATWORK, RETAINING WALLS, ARCHITECTURAL PRE-CAST & STONE VENEER

RCG owns Royal Pavers — Florida's premier brick paver company. We specialize in pavers, flatwork, precast and stone veneer. We are the manufacturers' first choice when recommending an installation partner.

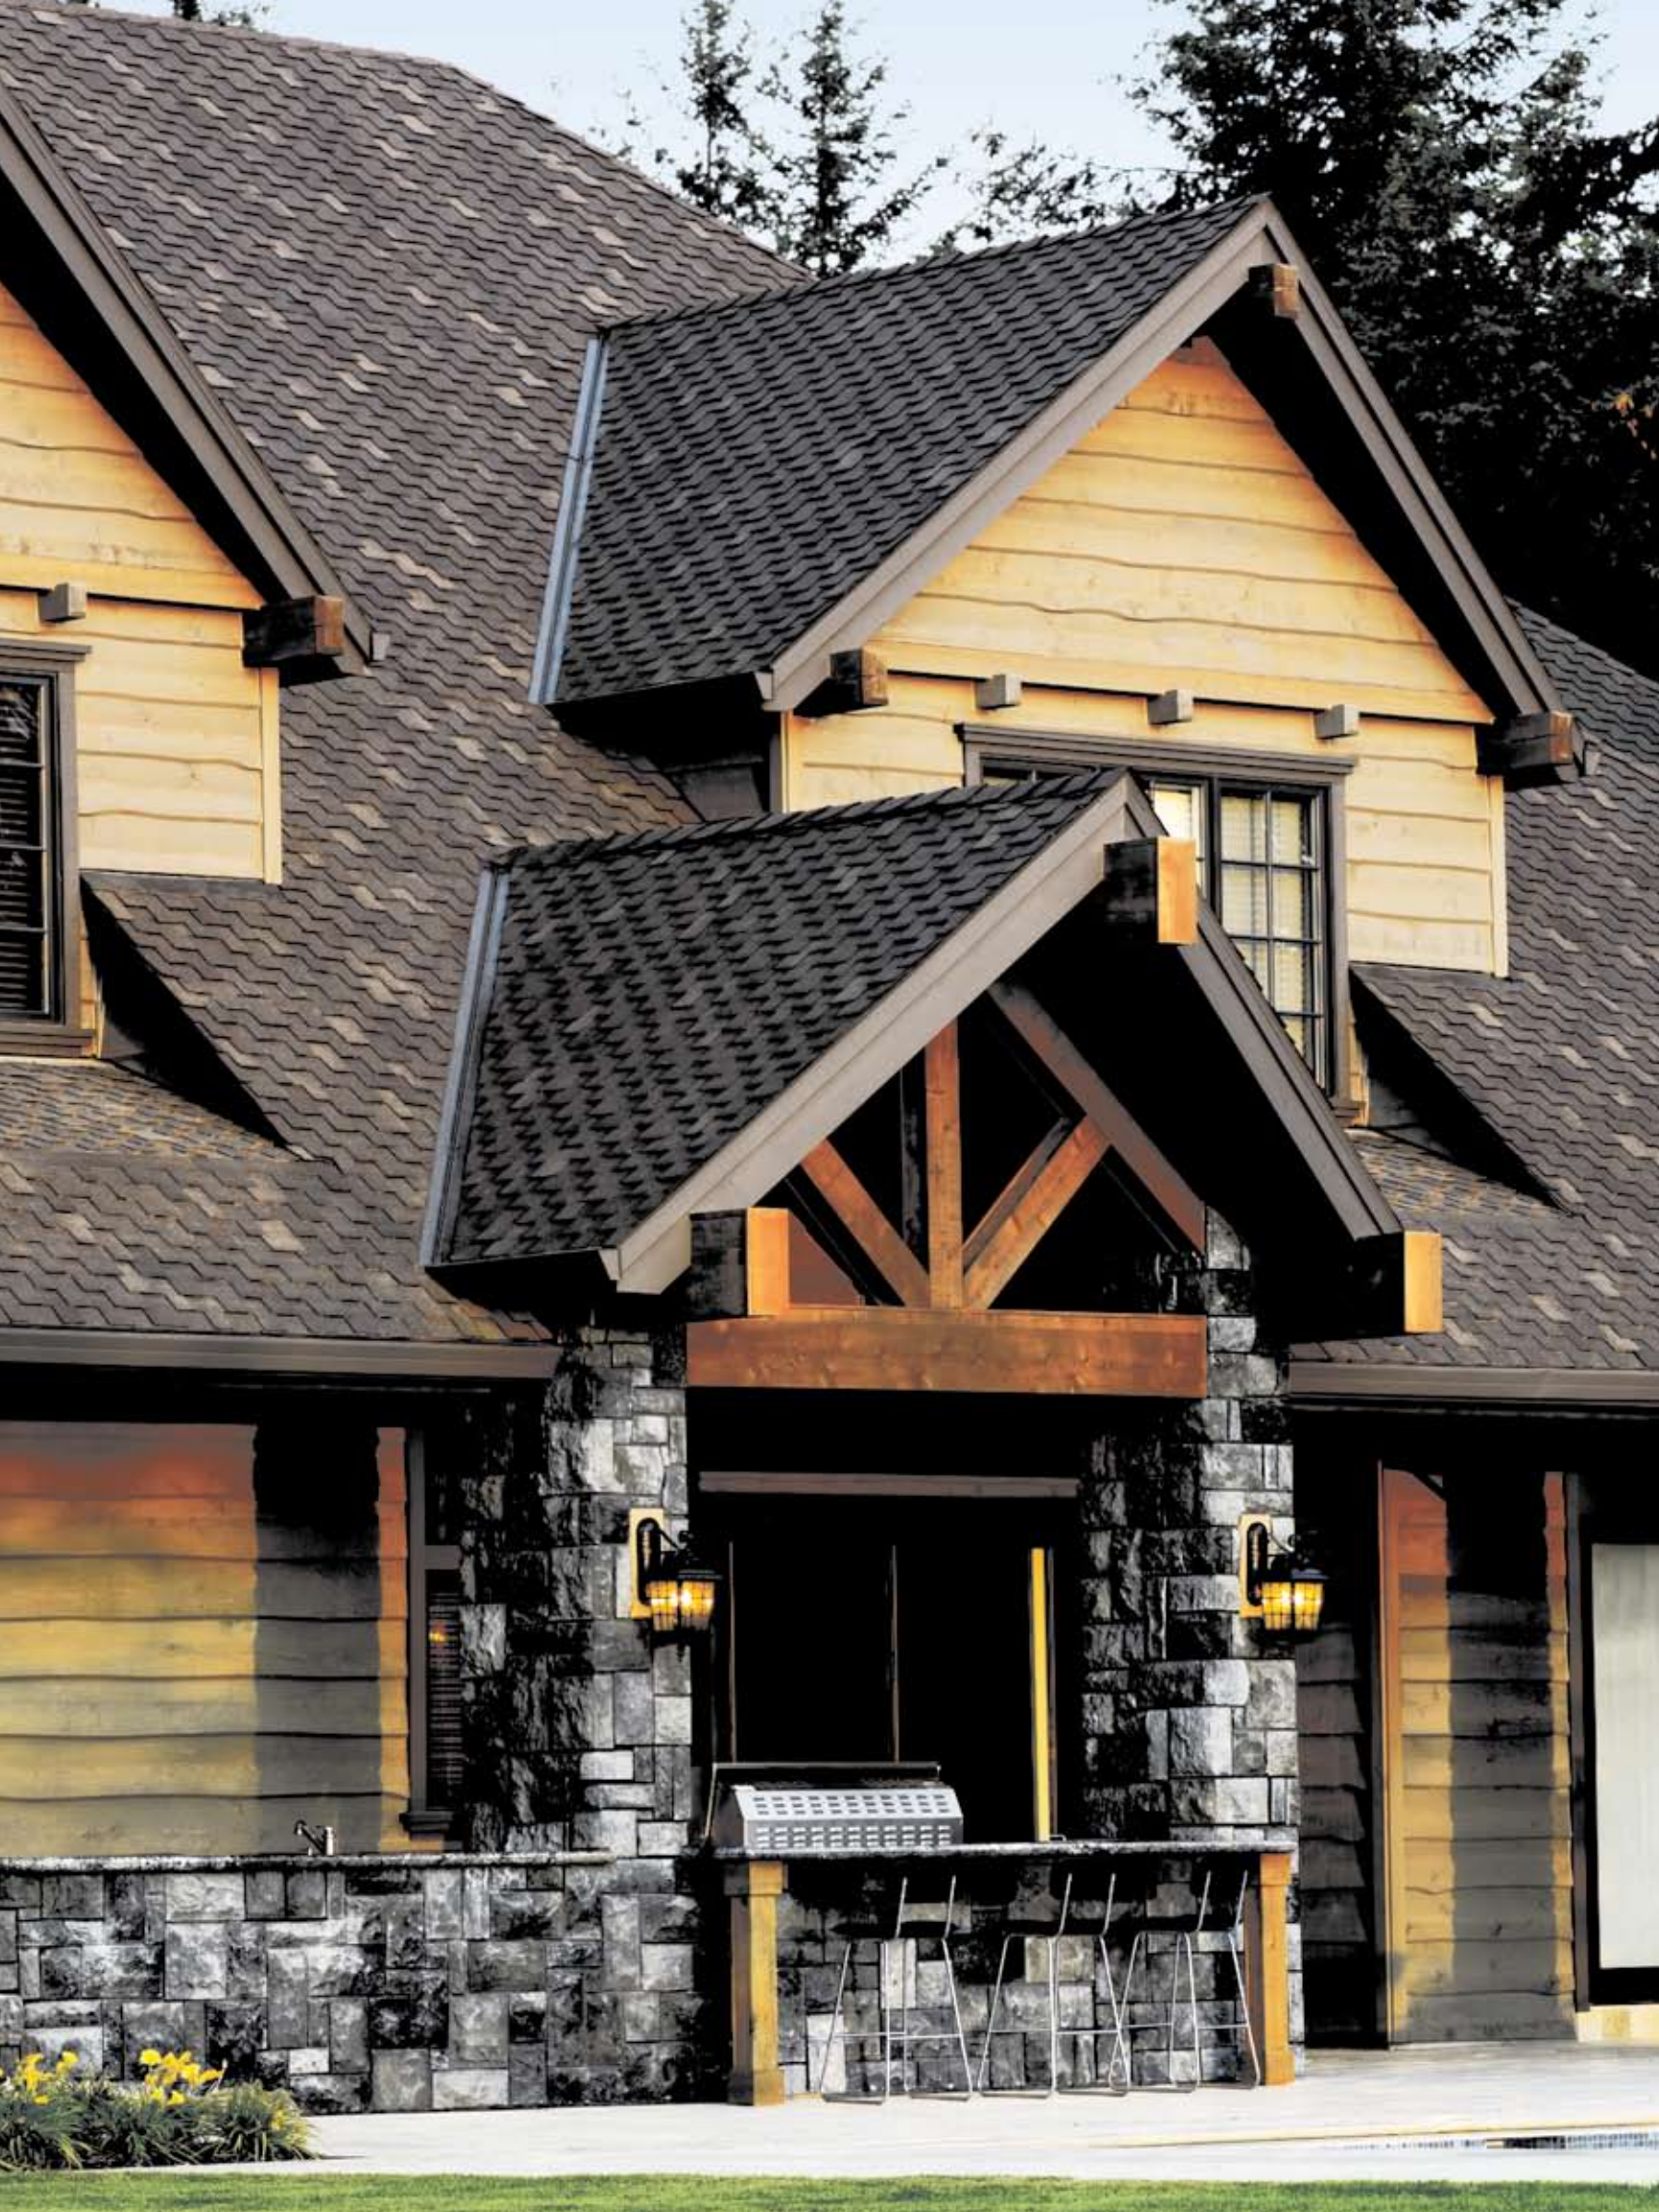

TRIM CARPENTRY & INTERIOR MILLWORK

RCG employs only experienced, professional carpenters, and we guarantee superior workmanship. Our references will impress any contractor or homeowner. We can staff and manage any size project on short notice.

Baseboard • Door & Window Casing • Crown Molding • Decorative Ceilings • Wainscoting • Door Installation
Stair Tread & Riser • Stair and Balcony Railings

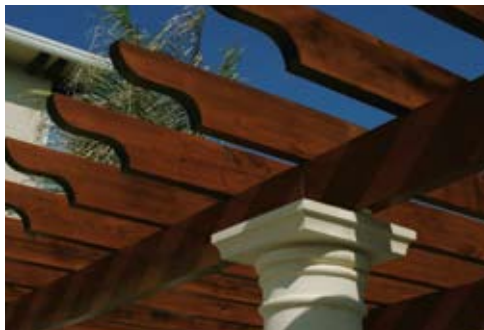

EXTERIOR MILLWORK & HEAVY TIMBERS

RCG uses specialized, precision equipment in our shop prior to delivery to provide superior quality scroll cuts and perfectly aligned mortise and tenon. Field equipment cannot match our quality and your product will be installed quicker and look better.

Our field carpenters are the elite professionals of the trade to ensure the quality of your finished product.

Gazebos • Trellises • Pergolas • Arbors • Fences & Gates • Decking & Railing • Tongue & Groove Ceilings • Shutters • Brackets
Rafters • Lattice Work • Column & Beam Wraps • Entry Systems • Garage Door Appliqué • Post & Beam Construction
Heavy Timber Trusses • Corbels/Outlookers • Hardi-Plank & Cedar Siding • Micro-Lam • Eyebrow Roofs • Shed Roofs

CUSTOM MANUFACTURING

Our 10,000-square-foot manufacturing facility utilizes high-end woodworking equipment staffed by expert carpenters.

Both our facility and our equipment can accommodate extremely large timber beams, so we are able to scroll cut and prefabricate unusually large items.

WE SHIP KITS

Download our catalog at www.royalcg.com. Feel free to use one of our standard profiles or allow us to customize decorative end-cuts for you. All hardware is included.

All of our catalog items meet Miami-Dade wind code.
